ELECTION

This election is offered in response to the Examiner's restriction requirement mailed December 22, 2004.

The Applicant hereby provisionally elects to pursue the second invention with Claims 7-13 without traverse. The Applicant notes that this claim set was submitted for prosecution in the Preliminary Amendment dated October 22, 2003. Based on a telephone conversation with the Examiner on January 3, 2005, it appears that the second page of this Preliminary Amendment (attached) was somehow lost.
